and website to demonstrate that you are "On the List". The Visa Global Registry of Service Providers (the Registry), located at (www.visa.com/onthelist) acknowledges service providers that have shown their commitment to security by meeting the requirements of the PCI Standard. We appreciate your continued support and commitment to safeguarding the payment industry.

Ongoing compliance with PCI DSS is critical to maintaining a strong defense against compromises of cardholder data. We urge you to diligently review your security policies, practices and infrastructure frequently to prevent, detect and correct any anomalies in your security program. Please note that Visa requires revalidation every 12 months. We encourage you to share your compliance status with your clients. Your presence on the Registry provides your clients and prospective clients with confidence in your service and confirms that you take security seriously, potentially setting you apart from your competitors. The Registry is updated monthly and may not reflect your current validation status.

Congratulations again.
